4G Routines

I. Earn a Hot Chocolate Supreme!! Every student in 4G will be given the chance to win a supreme hot chocolate before the winter break! How it works: Each child is asked to read at home for 15 minutes and have their agenda signed 4 out of 5 days of the week (one day is a break). If this happens for the whole week, they earn a sticker towards their prize 😊

II. Classroom Website: Feel free to check out our classroom website for important dates, links to notes home & agenda notes, plus many educational games to help your child succeed.
